

C.O.P. MEMBER GOES OUT OF HIS WAY TO LOOK OUT FOR HIS NEIGHBORS

It is often said that Arlington C.O.P. is loaded with Arlington's finest citizens. This is definitely the case with Pineridge Estates Coordinator Douglas Scott. Anyone who knows Doug appreciates his kindness to others and spirited personality.

On August 16, 2009, his C.O.P. patrol report simply read, "Found lost dog. Captured lost dog. Address was nearby. Took dog home."

This story may seem minor to some, but it is one of many examples of kindness Doug has bestowed upon others. In reading his report, you cannot help but notice the simplicity in which it was written. To Doug, I am sure it is no big deal. I doubt, however, that was the case with the owners of the lost dog. I am sure they feel fortunate to have one of Arlington's finest citizens patrolling their neighborhood and doing kind favors for others in the process.
