PHASE I

PERSONAL HISTORY STATEMENT (APPLICATION)

Applicants are encouraged to download the application from the Arlington Police Department’s Recruiting homepage at www.arlingtonpd.org. The Personal History Statement can also be given or mailed to all qualified police applicants upon request. All applicants will be evaluated on the professional appearance and completeness of their Personal History Statement. The completed Personal History Statement should be submitted to the Personnel Office as soon as possible to ensure prompt processing. A staff member will contact you after your application has been reviewed, to speak with you about your application.

PRELIMINARY INTERVIEW

The preliminary interview begins with a short essay and a questionnaire. Next, a panel consisting of three members of the Arlington Police Department will review your application, essay and questionnaire and then you will have a short interview. Panel members are senior officers, Field Training Officers and Sergeants. The interview will focus on the applicant's background and the information provided to the panel. Applicants will be informed after the interview whether they passed or failed the interview. Those passing the Preliminary Interview will be asked to take the Physical Agility Test.

PHYSICAL AGILITY TEST

Applicants must successfully complete each event of the Physical Agility Test. Each exercise simulates an actual duty requirement of a Police Officer. Please review the associated “HEALTH AND SAFETY WARNING”.

PHYSICAL AGILITY TEST DESCRIPTION

The Physical Agility Test consists of five events. The Physical Agility Test is a pass / fail test. Each event must be successfully completed in order to pass the Physical Agility Test. Applicants that do not pass the Physical Agility Test will not continue into PHASE II of the hiring process. Applicants will be offered three chances to complete every event. If an applicant fails the Physical Agility Test, they will be allowed to reschedule the test an additional two times. Applicants are allowed to re-take the Physical Agility Test only on regularly scheduled interview dates. When re-testing, an applicant must complete all five events successfully on the re-test date.
**HEALTH AND SAFETY WARNING**

Applicants who successfully complete the preliminary interview will be required to complete the Physical Agility Test. The test given is the same regardless of age or gender. 2. Withdraw from the process if you have any condition or limitation that could endanger yourself.

The City of Arlington, the Arlington Police Department, its agents and employees, do not assume any responsibility for an applicant’s health or medical condition or the effect that this test could have. Further, the City of Arlington, the Arlington Police Department, its agents and employees, accept no responsibility or liability for any injury an applicant might receive during the test. This test should be considered strenuous physical activity and as such carries a risk of injury, not limited to strained muscles, scraps, scratches and/or bruises.

COMMUNITY POLICING PHILOSOPHY

The foundation of a successful Community Policing strategy is the close, mutually beneficial ties between police and community members. Community Policing consists of two core components, Community Partnership and Problem Solving. To develop Community Partnership, police must develop positive relationships with the community, must involve the community in the quest for better crime control and prevention and must pool their resources with those of the community to address the most urgent concerns of the community and its members. Problem Solving is the process through which the specific concerns of the community are identified and through which the most appropriate remedies to abate these problems are found.

The goal of Community Policing is to reduce crime and disorder by carefully examining the characteristics of problems in a neighborhood and then applying appropriate “Problem Solving” remedies.\(^1\)
